

PRAVEENYA INSTITUTE OF MARINE ENGINEERING & MARITIME STUDIES

Approved by Directorate General of Shipping, Govt. of India; AICTE, New Delhi
Affiliated to Andhra University, Visakhapatnam.
ISO : 9001-2015 Certified Institution

EAMCET CODE
PIME

B.E. / B.Tech.

Marine Engineering (4 Years)

Eligibility Criteria : 10+2 (MPC), 60% in Group,
50% in English

Lateral Entry (into B.Tech 2nd Year)

Eligibility Criteria: 55% in Final Year of Diploma in
Mechanical, Electrical,
Marine Engineering, Electronics etc.,
50% in English (10th or 12th)

GME

Graduate Marine Engineering (1 Year)

Eligibility Criteria : 50% in B.E/B.Tech in
Mechanical (or) Marine (or)
Naval Architecture.
50% in English (10th or 12th)

**Only Marine Engg. College in
A.P. & Telangana**

To be one of the most trusted and leading institute to provide a path for excellence to its students in Marine Engineering and lead the country in "MAKE IN INDIA" or "YOUNG INDIA".

Providing a well disciplined quality culture and teaching through latest techniques, committed faculty and well established facilities.

Building confidence in expressing new ideas through student interaction sessions in every phase of course assuring continual improvement.

Praveenya Institute of Marine Engineering & Maritime Studies (PRIME) was established in the year 2006 by a group of academicians and professional engineers. It is located on the outskirts of the port and steel city, the famous City of Destiny, Visakhapatnam.

PRIME is the only approved Marine Engineering College in Andhra Pradesh and Telangana for conducting 4 year B.Tech. Marine engineering degree course, one year Graduate Marine Engineering.

It is approved by Directorate General of Shipping, Govt. of India; AICTE and affiliated to Andhra University, Visakhapatnam.

- ✓ Ship in Campus
- ✓ Fully Residential
- ✓ Medical Facility
- ✓ Swimming Pool
- ✓ Wi-Fi
- ✓ Gym
- ✓ A/c Class Rooms
- ✓ Indoor & Outdoor Sports

Nekkanti Rama Rao
Chairman

Chairman's Message

I have been able to effectively combine my Engineering knowledge with a mindset naturally inclined to business orientation and in this, I have been amply rewarded and also achieved a good measure of recognition as well as success in my chosen field of professional endeavour.

It is for this reason that I have had a strong desire to give something of myself back to the Engineering Education that gave me my initial start in life. Hence the establishment of this college and the nurturing of it's growth has been the most emotionally fulfilling of all my activities. I have strived to provide the best of infrastructure, including the latest in teaching aids and well experienced faculty with teaching as well as industrial experience.

P.V. Gopala Rao
Director

Director Message

The sailor's dream is at the horizon. To impart the knowledge I have garnered over the years, as a Marine Engineer, head of ship building, repairs division at Hindustan Shipyard Limited, Visakhapatnam, to promising young Marine Engineers, the desire to share my learning with students made me to join this premier institute.

After sailing for 16 years, resigned from sea life and joined Hindustan Shipyard Ltd as Manager in 1994. After serving ship repairs division for 7 years and ship building division for 15 years in various capacities and as General Manager, instrumental in overseeing construction of ships, attending to sea trials and subsequent handing over of ships to owners. During the tenure in the shipyard actively involved in teaching ship repairs and ship building subject to Trainee Marine Engineering enrolled in HSL.
